

(ii) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requestor is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primarily in the commercial interest of the requestor." A fee waiver or reduction is warranted only where, once the "public interest" standard set out in paragraph (e)(2) of this section is satisfied, that public interest can fairly be regarded as greater in magnitude than that of the requestor's commercial interest in disclosure. The Freedom of Information Officer shall ordinarily presume that where a news media requestor has satisfied the "public interest" standard, that will be the interest primarily served by disclosure to that requestor. Disclosure to data brokers or others who compile and market government information for direct economic return shall not be presumed to primarily serve "public interest."

(4) Where only a portion of the requested records satisfies both of the requirements for a waiver or reduction of fees under this paragraph, a waiver or reduction shall be granted only as to that portion.

(5) Requests for the waiver or reduction of fees shall address each of the factors listed in paragraphs (e) (2) and (3) of this section, as they apply to each record request. One hundred pages of reproduction shall be furnished without charge.

(6) A request for reduction or waiver of fees shall be addressed to the Freedom of Information Officer at the address shown in § 1120.23. The ATBCB office which is responding to the request for records shall initially determine whether the fee shall be reduced or waived and shall so inform the requestor. The initial determination may be appealed by letter addressed to the address shown in § 1120.23. The General Counsel or his or her designee shall decide such appeals.
